

LANDMARK NORTH SUBDIVISION

Architectural Control Committee Animal Exemption Request

Property Owner Request Details

Lot # : _____

Submitted By: _____

Duration Requested (specify calendar period during year) - _____

Animal Type and Quantity: _____

Site Plan Diagram and Description - include lot locations of proposed pasture, corral, fencing, feed storage, and any proposed outbuildings/sheds/barns.

Property Owner Agreed Responsibilities

Maximum (2) animals per lot.

No animals shall be left on the owner's property without full-time resident supervision.

No animals shall ever leave the owner's property unsupervised.

Fencing and enclosures shall be sturdy and maintained in good repair.

All corrals and pasture areas must be kept clean and tidy.

Animal waste will not be left to accumulate.

Owners need to be mindful of noise, smells, or any other nuisances that can negatively impact adjacent neighbors or the overall atmosphere of Landmark North.

Property owner(s) will adhere to all provisions of this agreement, or the exemption can be revoked for noncompliance.

The undersigned property owner does hereby agree to follow the Property Owner Request Details as submitted and adhere to the Property Owner Agreed Responsibilities as signed and dated below.
